**TO:** Dennis Braddock  
Department of Social and Health Services

**FROM:** Marty Brown, Director

**SUBJECT:** Reported Incident Determination  
Incident No. 04-11

The Office of Financial Management (OFM) has concluded its initial assessment of the September 17, 2003 incident leading to the serious injury of a crime victim assaulted by a Juvenile Rehabilitation Administration parolee. The Department of Social and Health Services (DSHS) reported this incident September 17, 2003.

The OFM Loss Prevention Review Team program evaluated the materials submitted by DSHS. Pursuant to the directive of RCW 43.41.370(1), it is my determination as Director that no further review of this incident through the Loss Prevention Review Team program is merited at this time.

My determination is based on the fact that OFM is currently conducting a Loss Prevention Review of the Juvenile Rehabilitation Administration for other incidents similar to this one. A further review of this program and potentially related subjects based on this incident is unnecessary at this time.

This decision will be posted on OFM's website. If you have any questions about the criteria or its application to this incident, please contact either Meg Jones at 360-902-9813 or Gary Robinson at 360-902-0528.
